Supplementary Regulations

The Event

A Rallycross is an event generally held on an unpaved, flat surface, wherein the course generally consists of straight sections and connecting turns and corners. Accent in course design is also placed on the general avoidance of obstacles such as trees, exposures, deep ditches, etc. Please see “Eligibility of Vehicles” and other preparation information below. This Rallycross Event will take place inside the Hope Sports Bowl in the city centre of Hope B.C. Surface Terrain will be hard packed dirt and gravel or mud depending on weather conditions.

Jurisdiction

The rally will be held under the current Rallycross regulations of the Canadian Association of Rallysport (CARS). This publication is available from CARS.

Status

Sanctioned by the Canadian Association of Rallysport (CARS) and Rally Pacific Motorsports (RPM).

This event is part of The WCRA Rallycross Championship

ELIGIBILITY OF VEHICLES

Vehicles

- a) Vehicles must be based on a production, closed body and chassis to compete. (no convertibles, dune buggies or quads)
- b) All loose items in the vehicle must be removed during the event (including from the trunk).
- c) Snap-on hubcaps, detachable fender skirts and trim rings must be removed.
- d) Tires must be in good condition, with no cord or belts showing or cracks in the tread or sidewalls.
- e) Mechanical condition and safety of the vehicle is the responsibility of the competitor.
- f) Commercially available RENTAL CARS ARE NOT PERMITTED AT THIS EVENT. If you are driving a car that is not owned by you, you must submit a signed letter of permission from the registered owner, saying that they know that the car will be used in a Rallycross competition and grant you permission to use their vehicle. THIS WILL BE STRICTLY ENFORCED IF THE REGISTERED OWNER OF THE VEHICLE IS NOT PRESENT AT THE EVENT.

Mandatory Equipment

- a) Helmets conforming to NRR 1.A.6 or meeting Snell Memorial Foundation standards 2000M or
2000SA (or more recent) must be worn by all drivers and passengers.

DOT helmets will not be accepted

- b) Minimum three point seat harnesses must be worn by drivers and passengers.

Vehicle Classes

Safety equipment is unlimited in all classes.

Mud flaps on the drive wheels are encouraged for dirt or gravel courses.

In addition to the regular tech inspection, Scrutineers may ask to re-inspect a competitor's car during or after the event. Refusal of the inspection may result in classification change for the

rest of the event.

The organizers reserve the right to classify or re-classify any vehicle in the interest of fairness to all competitors.

Email questions about your vehicle's class to kristin@rallybc.com

<i>Street Tire 2WD + 4WD</i>	<i>Traction Tire 2WD + 4WD</i>	<i>Competition Tire 2WD + 4WD</i>
Tires: All season and un-studded snow tires.	Tires: Traction tires, studded snow tires.	Specialised competition tires for mud, gravel, snow, ice. Tires marked "For Competition Use Only" may be modified. In the case of studded tires, may not exceed street legal stud and protrusion type.

Novice Class

The Novice Class is defined as having competed in less than 3 rallycross events in the previous 3 years. If in a single event you win Novice Class *and* 1st, 2nd, or 3rd Overall, you will not be eligible for Novice Class in the future. Novice Class is independent of the vehicle classes. Novice Class is independent of the WCRA Rallycross Championship.

Timing and Scoring

Cars will run one at a time, timed by stopwatch. Cumulative time will be given as the total of all the driver's runs minus their slowest run from the morning and afternoon session. Places will be given by lowest total time for the day. If the driver was not able to complete all runs, they will be assigned the default time (longest run time of the day plus 15 seconds) for their missed runs.

Penalties for cones and gates will be added to the total time of the run for each individual run.

Cones	2 seconds will be added to the total time for each cone knocked over in an individual run; this does not apply to cones being used as pointers.
Gates	10 seconds will be added to the total time for each gate missed over an individual run.

Vehicles will be split into run groups consisting of 2WD and 4WD classes. The 2WD group will run the course first followed by 4WD vehicles. The groups will alternate for each subsequent heat.

Due to the need of balancing the run groups the Rallymaster may move some vehicles from their respective groups. These vehicles will not be provided with any preferential scoring or penalization for being placed in another group.

Fuel Stops / Service

Please fill up on fuel before coming to the sports bowl. There are no fuel amenities at the venue. There will be space marked out for parking at the venue.
