Documents & Regulations

See CARS NRR I B for the list of documents that must be presented at registration.

US Competitor Eligibility

Residents of the USA who do not hold a CARS license may compete with a Rally America (RA) or NASA license, subject to the note below. US competitors are encouraged to obtain and confirm that they have personal medical insurance coverage for themselves and their crew before entering Canada.

RA and NASA licensed competitors must register with CARS and complete the CARS event entry permit form available on the CARS web site: www.carsrally.ca under 'downloads'. The form and annual fee of \$50 CDN should be sent to CARS, but may be relayed to CARS through the event registrar if necessary. **NO RALLY LICENSES WILL BE ISSUED AT THE EVENT. PLEASE COME PREPARED.**

US Vehicle Eligibility

Under CARS rules, vehicles registered in any of the United States of America and competing on RA or NASA licenses (plus CARS entry permit) shall be acceptable provided that they meet the requirements of the current RA or NASA Rally Rules. Entrants whose cars are entered under this provision must be able to produce, upon request by the officials of the event, a copy of the respective rules. Failure to produce these may result in the vehicle being judged according to CARS rules. However, vehicle classification will be as per CARS regulations.

Pacific Northwest Rally Championship

Competitors with questions regarding the championship can contact Ben Bradley (ben@specialstage.com). The series website is <http://www.northwestrally.com/>

Vehicle Identification

Vehicles will be identified with door numbers, which will be provided. The top 10cm of the windshield, and an area 60cm by 25cm on each front door panel, are reserved for door numbers and event sponsor decals.

Fuel Stops, Service & Transits

As per NPR VII A 9, service is restricted to official service parks. As per NPR IV I, refuelling is restricted to designated refuel zones. All transits are to be considered quiet zones. **THERE IS NO FUEL AVAILABLE AT THE RESORT.** Teams must bring all their fuel for recce, service and competition vehicles. Limited fuel resources will be available from the organizers, but teams should arrange their own fuel for the weekend.

Type

The Big White Winter Rally is a reconnaissance performance rally consisting of special stages, transits and a rallyX style super special. The total length of the event will be approximately 300 km, with approximately 156 km of special stages (overall percentages: 52% stage, 48% transit). Stage road surfaces will be ice and snow covered gravel. Studded tires are permitted; however, they must be street legal and no ice racing tires are allowed.

The provided stage routebook will be very elementary; therefore, reconnaissance is very strongly encouraged. **The Big White Rally is a WINTER EVENT.** Teams must be prepared for exposure to cold and snow. Warm clothing and other basic winter amenities should be stored in the rally cars, so that drivers and codrivers can keep warm if they are stuck on stage.

Elevation

The elevation of the special stages ranges from 863m to 1635m above sea level.

Entries

The maximum number of entries will be limited to 20 cars in the order of receipt of entries. The organizers reserve the right to refuse any entry. Entries will be accepted until 0900 on Friday December 3, 2010.

Entry Fees

The early entry fee is \$550 CDN and USD. The late entry fee, for entries received after November 24, 2010 is \$650 CDN and USD. The fee includes two tickets to the awards party. Additional tickets will be available at registration on Friday for \$25.

All cheques and money orders are payable to WCRA and must be current dated, or post-dated no later than December 4, 2010. The full entry fee must accompany the completed entry form for it to be considered an early entry. The fee for participating in the recce alone, without entering the rally proper, is \$250 CDN and USD.

If paying by paypal, please add \$20 service charge, and email to paul.westwick@telus.net (category = service), and email your entry details to the registrar (dennis@rallybc.com).

Withdrawal

As per CARS GCR 4.9, an entry may be withdrawn without penalty up to 48 hours before the start of registration. Refunds will be sent by mail following the rally.

Awards

Trophies will be awarded for first Overall, first Novice and first in each vehicle class, as defined for the Western Canadian Rally Championship: Production GT, Production Sport, Group 2, Group 5, Open and Dinosaur, if there is more than one car in the class. A regional novice driver is defined as one who starts a rally season having completed five or fewer regional, divisional or national performance rallies as a first driver, and has not finished first or second in a previous regional novice championship.

For the PNWRC, points will be awarded as decided by the series administrator.

Local Competitor Driven Cash Purses

Regional rallies in the Pacific Northwest have been fostering a local tradition of camaraderie through voluntary cash collections for novel awards such as 'top 2wd', 'best service crew save' or 'last but finished.' The specific purses can be listed by anyone, as in the example below:

<http://www.specialstage.com/forums/showthread.php?t=35284&page=5>

Contribution jars will be available at registration, and everyone is encouraged to suggest an award and/or donate a few dollars towards these purses.

Reconnnaissance

Recce is STRONGLY recommended. The stage routebook will be elementary, listing only major intersections, radio points and cautions. The super special will not be included in the reconnaissance. A course map will be contained in the routebook, and drivers will be able to walk the super special and observe the snowX entrants on course on Saturday morning.

Type

Recce is two pass, and times are restricted according to the schedule provided at registration. Depending on road conditions and logging activity, some of the stages may be recce by convoy. Otherwise, within the recommended schedule, competitors will be allowed to recce the stages at their own pace and in whatever order they choose; however, reconnaissance for the stage run in both directions will be split so that there is only one direction of recce traffic on stage at a time. Only two passes of each stage are permitted, and the schedule will allow adequate time for two passes.

Registration

Competitors must register at Rally Headquarters to obtain documents required to do recce. These documents include a 'Recce Card', the route book, and a suggested recce schedule. Please plan to do the complete registration before recce. Please inform the registrar what vehicle you will be using for recce. Please submit your completed recce card at scrutineering.

Maximum Recce Speed

A maximum speed of 60 Km/h or the posted speed limit, if lower, must be observed on all stages during recce. Competitors are reminded that these roads will be open to the public. Competitors should expect to be sharing the roads with oncoming traffic. The fitting and carrying of radar detection equipment during recce is not permitted. Failure to comply with these restrictions will be penalized as follows:

First infringement: \$250 fine.

Second infringement: \$400 fine. (+ first infringement fine)

Third infringement: forfeit entry fee, start refused. (+ first and second fines)

Organizers may use radar to verify compliance at undisclosed locations throughout the recce. In addition, local residents have been notified, and any reports of speeding during recce or during the transits will be dealt with severely.

Documents

Competitors must carry their 'Recce Card' at all times during recce. Failure to produce this card on request will result in refusal to complete recce. The recce card must be turned in at scrutineering.

Vehicle

During recce, competitors may use any street licensed vehicle. Competing vehicles are permitted to participate so long as they are street licensed and insured for the recce period (as well as the rally, of course).

Service

The designated service area will be the back 1/3 of the Happy Valley parking lot. A map will be provided at recce registration, and the service location will be accessible after recce on Friday evening. If possible, please park empty trailers in the long term parking area at the turnoff to Happy Valley; enclosed or gear-laden trailers will be accommodated.

Competitors, crew and volunteers are encouraged to park their daily drivers at the far end of the lot to allow Big White visitors to use the parking closest to the resort. The Happy Valley parking lot space is courtesy of the resort; therefore, the organizers request that instructions regarding allotted space and locations be followed in order to share the lot respectfully with visitors, to ensure maximum SnowX safety, and to promote a cooperative image of rallysport to the resort.

Miscellaneous

Judges of Fact	The marshals will be declared to be “Judges of Fact”, for quiet zone violations, recce violations, and those facts listed in CARS GCR 6.3 (a).
Odometer Check	An odometer check will be provided at registration.
Website	The event website is http://bigwhiterally.com

Accommodation

A variety of accommodations is available at Big White and competitors are encouraged to stay at the resort. Group rates of approximately 25% off have been arranged for the Inn at Big White, using group rate code ‘7G’. Call 1-800-663-2772, or see the Big White accommodations info flyer listed in the documents page on the website:

<http://bigwhiterally.com/documents/>

Resort Amenities

Not all resort facilities are available in the early season. To ensure there are meals available during the weekend, **a full buffet breakfast has been arranged at Carver’s, beginning at 7am on Friday and Saturday morning (\$13.95)**. Carver’s is located at the Inn at Big White. More information regarding resort services will be communicated by bulletin as the event nears.

Awards Party

The rally awards and buffet will be held in the Happy Valley Day Lodge, upper level. Tickets will be available for \$25. At present, the podium ceremony will be held in front

of the Day Lodge, so competitors are encouraged to head to the party right after the final MTC, where instructions regarding the podiums will be provided.

Volunteer Billeting and Transportation

Please notify the volunteer coordinator (Nicki@rallybc.com) if your team is able to carpool with volunteers traveling from your area, or if you have extra accommodation space for volunteers.
