

## **Island Novice Series #1**

This is the first round of the Novice Series organized by Island RallySport Club and sanctioned by RPM & CARS and run under their Rally Regulations. Starting in Langford and ending in Sidney, this TSD rally is a great way to be introduced into the sport of rallying. Whether you're a novice, just out the see what rallying is all about, or you're just brushing up on your skills, this is a great way to spend a day and enjoy the sport. All road legal cars are eligible for entry. We will be running two classes, Novice and Expert. This way, if this is your first time, you're not competing against experienced teams.

This all pavement rally is approximately 140km long and will take you through the back roads of the Island to Sidney. The route will be challenging yet scenic. Whether this is your first or fifth event you'll enjoy it to the end.

All vehicles entered must be in good working order. The car must be owned by one of the two team members or you must have written permission from the owner for it to be used in the rally.
